

Password Reset

Users may reset their password by entering their current password and setting up a new password.

1. From **My Profile** click on the **Change Password** button.

2. Enter Password and click **Verify**.

The image shows a web form for password verification. At the top is the NAIC logo. Below it, the text "Please verify your password" is displayed. Underneath, there is a label "Password" followed by a text input field. At the bottom of the form is a button labeled "Verify".

3. Click **Edit Profile**.

The image shows a web form for changing a password. At the top right is a green button labeled "Edit Profile". Below it is a dark grey header bar with a lock icon and the text "Change Password". Underneath, the text "Password requirements:" is followed by a bulleted list: "• At least 9 characters".

Note: Users will be prompted to set up security questions if [Forgot Password](#) is not set up.

4. Enter current password, new password and confirm new password.

The screenshot shows a 'Change Password' form with a dark header bar containing a lock icon and the title 'Change Password'. Below the header, the 'Password requirements:' section lists 'At least 9 characters'. The form contains three input fields: 'Current password', 'New password', and 'Confirm new password'. At the bottom left, there is a checkbox labeled 'Sign me out of all other devices.' with a blue link 'Learn more.' to its right. A red rectangular box highlights the 'Change Password' button at the bottom right of the form.

5. Click **Change Password**.
